## **Declaration of origin**

The exporter of the products covered by this document (customs authorization No 9615 declares that, except where otherwise clearly indicated, these products are of Swiss origin.

## **Incoterms 01.01.2020**

### **Organized by yourself through your own forwarding agent**

**FCA** - Free Carrier: Seller delivers the goods to the carrier and may be responsible for clearing the goods for export (filing the EEI). More realistic than EXW because it includes loading at pick-up, which is commonly expected, and sellers are more concerned about export violations.

### **Delivered by Amphasys**

**CPT** - Carriage Paid To: Seller delivers goods to the carrier at an agreed place, shifting risk to the buyer, but seller must pay cost of carriage to the named place of destination
